Minutes of Meeting July 29, 1999

The meeting was called to order by the president at 8:05 p.m. All officers were present except for Sharon Renshaw and Mike Drew. Dianna Crego's fingers flew on the keyboard as she took minutes for the often-absent secretary. 34 members signed the roster and there were seven Panteras in the parking lot.

New Members/Guests: For the first time in *years*, there were no new members or guests in attendance!

Changes to Last Month's Minutes: There were three changes noted to last month's newsletter. Anita Kuehne was credited as being there when in fact she was absent, and "Mike's version of membership is different from Russ' version." If anybody knows what that means, please let one of

us know! Finally, Asa Jay and Shelly Laughton live in *Spokane*, not Seattle. Touchy, touchy—it's almost as bad as the Nor-Cal vs. L.A thing!

Club Library Report: As the librarian was absent, there was no report. Her breakdown of club points to date and an inventory of the library's contents are both MIA.

Club Treasury Report: Anita reported that the treasury continues to be healthy.

Club Store Report: Bill conducted an inventory of the club store, and then turned over a sizable sum in store profits (mostly from Las Vegas) to the club treasurer (the store manager and treasurer maintain separate accounts; profits from the store eventually are turned over to the general treasury.)

Bill was conducting a blowout on leftover 1999 Las Vegas Speed Trials event T-shirts at only \$10 each, and Silver State T-shirts were only \$15 each.

Club Membership Report: Russ reported that long-time expatriate PCNC member Chris Bupp has again renewed his membership in our club. Chris lived at Travis AFB when he purchased his Pantera, and now lives outside Des Moines, Iowa. While Russ was speaking, Doris handed out name badges to recent new members.

Past Events: There were no events in July. If there was a report on the SDP swap meet, it didn't make it into the notes!

Upcoming Events:

PCNC Club Meeting — 19 August (ONE WEEK EARLY!): Due to the conflict with the first day of the Monterey Historics Races weekend, the August PCNC meeting will be advanced one full week and will be held in the same place on 19 August.

Monterey Historics Weekend — 27-29 August: Tony Harvey had a dinner sign-up list for Friday night. If you have a room, you are *already* on his list. If you are just coming down for the day or are staying elsewhere, you must sign up to attend the dinner. The cost is \$29; see the flyer elsewhere in this newsletter. So far there are 66 people signed up! Tony also requested some helpers to man the door at the dinner and ensure that everyone who comes in has registered (and more importantly, has PAID) for their dinner!

Also, some late-breaking news! Tom Tjaarda will be present in Monterey this year! If you have always desired an autograph, be ready to present your (whatever) to him for his signature! For those that haven't met him, he's a wonderfully friendly and low-key guy, so don't be bashful!

Fun Ford Sunday — 12 September: Steve Liebenow is one of the coordinators for this, one of the largest car shows in the area. If you participated last year, you will have already received an invitation to return. If not, check for a flyer elsewhere in this newsletter (hopefully?) or contact Steve for more information. This is a *great* event!

Silver State Classic Challenge — 18-19 September: Despite the fact that his Pantera is

toasted, Dennis Antenucci is again rounding up a band of Pantera drivers to participate in this awesome event. PCNC president and repeat entrant Dave Crego will be carrying the PCNC flag, and some other PCNC types are rumored to be entering including Larry Stock (assuming he can get a car together in time.) For more information, contact Dave or Dennis, and check out the flyer in the POCA newsletter.

Mission City Classique Car Show — 2 October: This show is near and dear to Doris Britschgi's heart (since it benefits the Santa Clara Unified School District where she works. There appears to be some confusion as to whether the show will actually come off this year; contact Doris for more details.

Tour To The Gentry's — 9-10 October: A two-day tour through the wine country to Brian and Kathy Gentry's new home in Clearlake will feature wine tasting in Napa, beautiful back roads and all sorts of fun at their lakeside home. Further details will be announced in upcoming months; watch for a flyer in next month's newsletter.

PCNC Tech Session and Handling Clinic — October TBA: No date yet for this event; hopefully Larry Stock and Roger Sharp can come up with a viable date at the August meeting. Gary Roys will be letting us know his availability before the meeting; hopefully all three schedules can converge. The earliest date will be late October.

Al Leist Machine Shop Tour — Date TBA: Although no date has yet been finalized for this event, it has already swelled far beyond its original proportions. Now the Lion's Club and Model A club will be included as well, and Al plans to have the entire street blocked off for the festivities! Pump Jack DeRyke for more information!

Rod and Wine Tour — Cancelled!: Dave Crego announced that the long-anticipated but never-formalized Napa Rod and Wine tour has collapsed. We may attempt to reschedule it for sometime next year.

Club Business:

PCNC Website Announced: Ted Stalcup announced that a brand-new PCNC website is now up and running! He announced the address incorrectly at the meeting; the actual address is <http://www.NorcalPanteraClub.com>. The site is far from finished; it's barely a skeleton, but as the year progresses and time allows, it will be fleshed out. The goal is to ultimately have the entire PCNC newsletter, club store, flyers, and articles with photos of our past events on-line. Ted is the 'mechanic' while Mike Drew is the 'driver.' Mike's been slacking off on the website for some time trying to get Profiles under control, but he's filled with hopes for the near future!

News, Clues and Rumors:

Kids, Don't Try This At Home!: Todd Glycer recently got his Pantera back on the road, and it has been an exciting time for him. Like many (most?) Pantera owners, Todd pulled his front windshield wipers, and threw them in the front trunk. Well, he hit a bump and one of the wipers hit the brake light switch. The other end was resting against some metal in the front trunk compartment—the result was a *fire!!!* Todd's tip: Don't do this!!!!

Raffle Results; Larry once again did the raffle thing with the following results:

Long sleeve PCNC jersey — Jim Kuehne
Water Wetter — Chuck Melton
Key Fob — Dave Crego
Zep cleaner — Gary Kono
Pantera Poster — Anita Kuehne
Christmas candle (donated by Anita Kuehne) — Anita Kuehne!

They made her take her own prize back home!

The meeting adjourned to the parking lot in record time at 8:57.

Membership News

This Month's New Members:

David Milligan of Lake Oswego, Oregon; **Russell Orzel** of Boca Raton, Florida: & **Eric Petersen** of Saratoga. I would like to have had a little more information about these new members to share with you but the new listing just arrived yesterday and I did not have any time to get the usual data about cars and interests as usual. Anyway we all welcome these new members into PCNC.

July Membership Anniversaries:

We congratulate the following persons for the indicated years of continuous membership in the Pantera Club of Northern California:

Jack & Judy DeRyke: 19 years

Cliff & Jo-Jo Marks: 13 years

Forest & Judy Goodhart: 11 years

Jim & Anita Kuehne: 10 years

Steve & Katherine Mooney: 7 years

Charles Puckett: 7 years

Jack & Carla Scheifly: 3 years

Michael Lee: 2 years

POCA Membership Update:

Good news! Shane Ingate, POCA Membership Director, has gotten a handle on the POCA membership data. I received an updated membership list dated August 5 and I think it is about as good as it can get. Thus I am going to believe it. Also based on it I made about 60 changes in data on our membership data sheets. Most of the changes dealt with the addition of E-mail addresses. So in the year 2000 Membership Roster many, many more such addresses will be included. Good work, Shane.

Revised: 5.1/99

For all of you who were at the last "Fix Whatever Ails Ya" Tech session, and got a bite of Judy DeRyke's "**Green-Chili Bake**" casserole, and requested the recipe, here it is!

Green-Chili Bake

2 tablespoons butter or margarine

1 1/2 cups chopped onion

2 garlic cloves, minced

1/4 teaspoon ground Cumin

3 cups cooked rice

5 eggs (or 1 1/4 cups egg substitute)

1 (14.5 oz.) can Mexican-style tomatoes

1 (8 oz.) can tomato sauce

1 cup (4 oz.) shredded Monterey Jack cheese (reduced-fat, if desired)

1/2 cup (2 oz.) shredded Manchego cheese (or more Monterey Jack)

3 (4 oz.) cans whole green chiles, drained and cut into strips

Preheat oven to 375 degrees.

Melt butter in a skillet over medium-high heat. Add onion and garlic; sauté 5 minutes. Remove from heat, stir in cumin. Combine the onion mixture, rice and eggs in a bowl. Combine tomatoes and tomato sauce in another bowl. Combine cheeses in a third bowl.

Spread 1 1/4 cups of the tomato mixture in the bottom of a 13" X 9" baking dish; top with 1 1/2 cups of the rice mixture. Arrange half of the green chiles on top of the rice mixture and sprinkle with half of the cheese mixture. Repeat the procedure with the remaining tomato, rice and chiles.

Bake, uncovered, at 375 degrees for 30 minutes. Sprinkle with the remaining cheese mixture and bake an additional 5 minutes, or until cheese is melted. (Judy put the cheese mixture on before baking, since she made the dish ahead of time, and it seemed okay that way too.)

Yield: 6 servings (as a main dish).

Optional: You could probably add a cup of shredded cooked chicken, or browned ground beef to the rice mixture, for a more substantial dish.
